OBJECTIVE

Motivated computer science student with experience in Java development, Spring Boot, JPA, and full-stack application design seeking a full-time, entry-level role in software engineering or application development. Committed to leveraging problem-solving skills and hands-on project experience to build efficient, scalable, and user-focused software solutions.

EDUCATION

Bachelor of Science — Computer Science
California State University, Los Angeles | Los Angeles, CA

May 2027

SKILLS

Java, Spring Boot, JPA/Hibernate, SQL, HTML/CSS, JavaScript, Git/GitHub, Object-Oriented Programming (OOP), Data Structures & Algorithms, Database Management, Problem Solving, Visual Studio Code, IntelliJ IDEA, MS Office Suite (Excel, Word, PowerPoint)

PROJECT EXPERIENCE

Multi-Threaded Server Socket Application

Jan 2026 – May 2026

Computer Science Project, Cal State LA

Developed a client-server application in Java using TCP server sockets to enable real-time communication between multiple clients.
Implemented multi-threading to handle concurrent client connections efficiently and maintain stable server performance.
Designed server-side logic for message handling, connection management, and data transmission between clients and the server.

WORK EXPERIENCE

IT Student Assistant

Aug 2025 - May 2026

College of Engineering, Computer Science and Technology, *Cal State LA*

- Assisted with software deployment, system updates, and computer lab setup to ensure reliable operation of campus workstations and equipment.
- Troubleshoot basic hardware, software, and network connectivity issues, providing technical support to students and staff.

Youth Development Professional

Jun 2022 - Aug 2025

Boys & Girls Club | *Carson, CA*

Supervised and mentored youth in educational and recreational activities, fostering a safe and positive environment.
Assisted with organizing programs and activities that promoted teamwork, communication, and personal development skills.
Supported staff with daily operations, attendance tracking, and conflict resolution to ensure smooth program execution.
